Monday, May 19, 2014

5:00 p.m. – 6:00 p.m.

Hyatt Regency Orlando  
Celebration 5

### SWIU Networking Reception

Monday, May 19, 2014

6:00 p.m. – 8:00 p.m.

Hyatt Regency Orlando  
Celebration 1

Welcome to Orlando, Florida, for the Annual AUA Meeting! The Society of Women in Urology events at the AUA will include the Annual Breakfast Meeting, the Women Leaders in Urology Forum and the SWIU Networking Reception. On behalf of the entire SWIU Board, I invite everyone to participate in all of these wonderful sessions.

During the 34<sup>th</sup> Annual Breakfast Meeting, Dr. William W. Bohnert, AUA President-Elect will provide an AUA Update. The Keynote Speaker will be Dr. Wayne M. Sotile, a clinical psychologist, researcher and national expert on physician resilience. Dr. Sotile's presentation is entitled: Resilient

Women in Urology: Thriving through Change. Additionally, we will present our Elisabeth Pickett Research Award and SBUR/SWIU Award for Excellence in Urologic Research winners.

The ninth annual Women Leaders in Urology Forum on Monday will be led by Dr. Hadley Wood, who has gathered a panel to discuss Transitional Urology and the Adult Myelomeningocele Patient. Panelists include Dr. Jyoti Upadhyay of Children's Hospital of the King's Daughters in Norfolk, Virginia; Dr. Melissa Kaufman of Vanderbilt University in Nashville, Tennessee, and SWIU Immediate Past President; and Dr. Rosalia Misseri of Riley Hospital for Children in Indianapolis, Indiana.

Our Networking Reception follows, which offers hors d'oeuvres and an opportunity to network with others in the field. During this reception, we will honor this year's Christina Manthos Mentoring Award winner.

We thank you for joining us in Orlando and hope you enjoy the educational opportunities this meeting has to offer!

Jennifer L. Dodson, MD, PhD

This is a great opportunity to meet with other urologists to discuss the issues in the field of urology, as well as other medical issues.

In addition, SWIU will announce the Christina Manthos Mentor Award winner. Christina Manthos was an extraordinary young urologist whose life and career were sadly curtailed by breast cancer. As a means of perpetuating the flame of her inspiration and honoring her memory, SWIU established an annual award to recognize those men or women who demonstrate extraordinary mentoring skills in supporting the career of a female urologist.

We look forward to this great networking opportunity every year and hope to see you there!

## **Educational Needs**

There is an educational need for:

- Training on basic urological assessment and routine follow up of an adult myelomeningocele patient with respect to bladder management, sexual function, fertility management, cancer surveillance for those with bowel-containing urinary diversion and nephrological optimization.
- An understanding of the major surgical problems encountered in adult life (parastomal hernia, stomal stenosis, uretho-vaginal fistulae, etc.) for myelomeningocele patients, as well as techniques to assess and treat these problems.
- An understanding of the specific physiology of the adult myelomeningocele patient and how it pertains to perioperative care and recovery from surgery.
- An understanding of the basic components of a transition program and why it is important.

## **Educational Objectives**

At the conclusion of the meeting, attendees should be able to:

1. Describe the components of initial urological assessment of an adult myelomeningocele patient.
2. Identify the diagnostic testing that will determine an adult myelomeningocele's need for surgical treatment.
3. Describe the respiratory, neural and anatomic challenges that may contribute to increased perioperative morbidity in this population.
4. Identify and describe the components of a transition program from pediatric to adult care.

**Accreditation:** The American Urological Association (AUA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## **Annual Breakfast Meeting**

**Credit Designation:** The American Urological Association designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit<sup>TM</sup>**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## **Women Leaders in Urology Forum**

**Credit Designation:** The American Urological Association designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credit<sup>TM</sup>**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Evidence Based Content:** It is the policy of the AUA to ensure that the content contained in this CME activity is valid, fair, balanced, scientifically rigorous and free of commercial bias.

**AUA Disclosure Policy:** All persons in a position to control the content of an educational activity (i.e., activity planners, presenters, authors) participating in an educational activity provided by the AUA are required to disclose to the provider any relevant financial relationships with any commercial interest. The AUA must determine if the individual's relationships may influence the educational content and resolve any conflicts of interest prior to the commencement of the educational activity. The intent of this disclosure is not to prevent individuals with relevant financial relationships from participating, but rather to provide learners information with which they can make their own judgments.

**Resolution of Identified Conflict of Interest:** All disclosures will be reviewed by the program/course directors or editors for identification of conflicts of interest. Peer reviewers, working with the program directors and/or editors, will document the mechanism(s) for management and resolution of the conflict of interest and final approval of the activity will be documented prior to implementation. Any of the mechanisms below can/will be used to resolve conflict of interest:

- Peer review for valid, evidence-based content of all materials associated with an educational activity by the course/program director, editor and/or Education Content Review Committee or its subgroup.
- Limit content to evidence with no recommendations.
- Introduction of a debate format with an unbiased moderator (point-counterpoint).
- Inclusion of moderated panel discussion.
- Publication of a parallel or rebuttal article for an article that is felt to be biased.
- Limit equipment representatives to providing logistics and operation support only in procedural demonstrations.
- Divestiture of the relationship by faculty.

**Off-label or Unapproved Use of Drugs or Devices:** It is the policy of the AUA to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this continuing medical education activity may contain reference(s) to off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

**Disclaimer:** The opinions and recommendations expressed by faculty, authors and other experts whose input is included in this program are their own and do not necessarily represent the viewpoint of the AUA.

**Audio, Video and Photographic Equipment:** The use of audio, video and other photographic recording equipment by attendees is prohibited inside AUA meeting rooms.

**Reproduction Permission:** Reproduction of written materials developed for this AUA course is prohibited without the written permission from individual authors and the American Urological Association.

**Special Assistance/Dietary Needs:** The American Urological Association complies with the Americans with Disabilities Act §12112(a). If any participant is in need of special assistance or has any dietary restrictions, please see the registration desk.

## **SWIU Awards**

### **Christina Manthos Mentoring Award**

SWIU founded the Christina Manthos Mentoring Award to honor the memory of an esteemed colleague. Christina Manthos was an extraordinary young urologist whose life was sadly curtailed by breast cancer. In her memory, SWIU has established an annual award to recognize men or women who have been extraordinary mentors to female urologists. SWIU believes that a mentor is a very important element to professional women and wants to encourage those who set a good example.

### **Elisabeth Pickett Research Award**

The Elisabeth Pickett Research Award provides small research grants for basic science or clinical urologic research. The awards may be used to supplement a current project or to initiate a new study. Candidates for this award include trained urologists (MD/DO), urology residents, urology fellows or post-doctoral basic scientists interested in researching urologic related diseases and dysfunction.

### **SWIU/SBUR Award for Excellence in Urological Research**

SWIU and Society for Basic Urologic Research (SBUR) have a common interest in recognizing female scientists with an accomplished background of basic science urological research. This award represents the collaborative efforts of these two societies toward their common goal. Award winners are members of SBUR who hold an MD and/or a PhD.

## **Member Benefits**

Since its inception, SWIU's focus has been primarily in the following areas: mentoring resident members, highlighting women leaders in urology, supporting the research efforts of women in urology, and providing networking venues for its members.

To that effect, SWIU is happy to provide several benefits to its members, including the SWIU Annual Events at the AUA, Networking opportunities, the SWIU Mentor Program, the SWIU Membership Directory, the SWIU Newsletter, and the find-a-doctor program.

SWIU also offers a meeting opportunity for members and residents at the SWIU Winter Meeting held in January. The meeting offers learning experiences through lectures and hands-on labs, as well as networking opportunities during social events.

## **Membership Categories**

### **Active**

Must be a member in good standing of the American Urological Association. Must have acceptably completed an accredited urologic training program or its equivalent in a foreign country. Active members have voting privileges.

### **Affiliate**

Must be a physician in a related field of medicine and science who cannot qualify for active membership or a non-physician who, by professional or personal accomplishments, has contributed significantly to medicine in general or the specialty of urology in general. Affiliate members may not vote.

### **Resident**

Must have graduated from an acceptable medical school with receipt of Doctor of Medicine degree or an equivalent degree. Must be enrolled in a resident program credentialed by the Accreditation Council for Graduate Medical Education (ACGME) or such similar body in a foreign country. Resident members may not vote.

If you have questions about applying for membership, the member benefits or the categories of membership, please contact SWIU at (847) 517-7225 or email us at [info@swiu.org](mailto:info@swiu.org). For more information, please visit our website: [www.swiu.org](http://www.swiu.org).
