Welcome to the San Diego for the Annual AUA Meeting! SWIU proudly offers its annual events including the Annual Breakfast Meeting, the Women Leaders in Urology Forum, and SWIU Networking Reception. On behalf of the entire SWIU Board, I invite everyone to participate in all of these wonderful sessions.

During the 33rd Annual Breakfast Meeting, Dr. Pramod Sogani will provide an AUA Update, which will be followed by our Keynote Speaker, Dr. Roberta Gebhard who will discuss Gender Equity in Medicine and Negotiation Skills for Women Physicians. Dr. Gebhard is the co-chair of the American Medical Women’s Association Gender Equity Task Force. We will also present our Elisabeth Pickett Research Award and SBUR/SWIU Award for Excellence in Urologic Research Award winners.

The eighth annual Women Leaders in Urology Forum on Monday will be led SWIU Board Member Dr. Claire C. Yang, who has gathered a panel to discuss interstitial cystitis/painful bladder syndrome. Panelists include Dr. Jane L. Miller of the University of Washington, Dr. Larissa V. Rodriguez of the University of California Los Angeles and Dr. Deborah R. Erickson of the University of Kentucky.

Our Networking Reception follows which offers refreshments and an opportunity to network with others in the field. During this reception, we will honor this year’s Christina Manthos Mentoring Award winner. We thank you for joining us in San Diego and hope you enjoy the educational opportunities this meeting has to offer!

SWIU Networking Reception  
Monday, May 6, 2013  
6:00 p.m. – 8:00 p.m.  
San Diego Convention Center  
Plaza Terrace

This is a great opportunity to meet with other urologists to discuss the issues in the field of urology,  
as well as other medical issues.

In addition, SWIU will announce the Christina Manthos Mentor Award winner. Christina Manthos  
was an extraordinary young urologist whose life and career were sadly curtailed by breast cancer.  
As a means of perpetuating the flame of her inspiration and honoring her memory, SWIU established  
an annual award to recognize those men or women who demonstrate extraordinary mentoring skills  
in supporting the career of a female urologist.

We look forward to this great networking opportunity every year and hope to see you there!

EDUCATIONAL NEEDS & OBJECTIVES

Educational Needs
There is an educational need to increase the communication and knowledge of the clinical  
management of interstitial cystitis/painful bladder syndrome (IC/PBS) to both academic and private  
practice urologists, as well as urology trainees. Physician-extenders need to be familiar with IC/PBS,  
since this is a common and perplexing clinical urological condition. Additionally, basic scientists  
will gain insight into the unanswered clinical questions in this perplexing syndrome in order to  
continue our pursuit of basic science knowledge into the pathogenesis of IC/PBS.

Educational Objectives
At the conclusion of the meeting, attendees should be able to:  
1. Describe the urological evaluation of IC/PBS.  
2. Describe some of the first line treatments for IC/PBS, and their rationale for use.  
3. Describe some of the secondary treatments of IC/PBS, and their rationale for use.
Accreditation: The American Urological Association Education & Research, Inc. (AUAER) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Annual Breakfast Meeting
Credit Designation: The American Urological Association Education & Research, Inc. designates this live activity for a maximum of 2.50 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Women Leaders in Urology Forum
Credit Designation: The American Urological Association Education & Research, Inc. designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The AUAER takes responsibility for the content, quality, and scientific integrity of this CME activity.

AUAER Disclosure Policy: As a provider accredited by the ACCME, the AUAER must ensure balance, independence, objectivity and scientific rigor in all its activities.

All faculty participating in an educational activity provided by the AUAER are required to disclose to the provider any relevant financial relationships with any commercial interest. The AUAER must determine if the faculty’s relationships may influence the educational content with regard to exposition or conclusion and resolve any conflicts of interest prior to the commencement of the educational activity. The intent of this disclosure is not to prevent faculty with relevant financial relationships from serving as faculty, but rather to provide members of the audience with information on which they can make their own judgments.

Off-label or Unapproved Use of Drugs or Devices: It is the policy of the AUAER to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this continuing medical education activity may contain reference(s) to off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Disclaimer: The opinions and recommendations expressed by faculty, authors, and other experts whose input is included in this program are their own and do not necessarily represent the viewpoint of the AUAER.

Evidence Based Content: As a provider of continuing medical education accredited by the ACCME, it is the policy of the AUAER to review and certify that the content contained in this CME activity is valid, fair, balanced, scientifically rigorous, and free of commercial bias.

Special Assistance/Dietary Needs: The American Urological Association Education & Research, Inc. (AUAER), an organization accredited for Continuing Medical Education (CME), complies with the Americans with Disabilities Act §12112(a). If any participant is in need of special assistance or has any dietary restrictions, a written request should be submitted at least one month in advance. For additional assistance with your request please call (800) 908-9414.
**SWIU Awards**

**Christina Manthos Mentoring Award**
SWIU founded the Christina Manthos Mentoring Award to honor the memory of an esteemed colleague. Christina Manthos was an extraordinary young urologist whose life was sadly curtailed by breast cancer. In her memory, SWIU has established an annual award to recognize men or women who have been extraordinary mentors to female urologists. SWIU believes that a mentor is a very important element to professional women and wants to encourage those who set a good example.

**Elizabeth Pickett Research Award**
The Elizabeth Pickett Research Award provides small research grants for basic science or clinical urologic research. The awards may be used to supplement a current project or to initiate a new study. Candidates for this award include trained urologists (MD/DO), urology residents, urology fellows or post-doctoral basic scientists interested in researching urologic related diseases and dysfunction.

**SWIU/SBUR Award for Excellence in Urological Research**
SWIU and Society for Basic Urologic Research (SBUR) have a common interest in recognizing female scientists with an accomplished background of basic science urological research. This award represents the collaborative efforts of these two societies toward their common goals. Award Winners are members of SBUR who hold an MD and/or a PhD.

**Member Benefits**
Since its inception, SWIU’s focus has been primarily in the following areas: mentoring resident members, highlighting women leaders in urology, supporting the research efforts of women in urology, and providing networking venues for its members.

To that effect, SWIU is happy to provide several benefits to its members including, the SWIU Annual Events at the AUA, Networking opportunities, the SWIU Mentor Program, the SWIU Membership Directory, the SWIU Newsletter, and the find-a-doctor program.

SWIU also offers a meeting opportunity for members and residents at the SWIU Winter Meeting held in January. This offers learning experiences through lectures and hands-on labs, as well as networking opportunities during social events.

**Membership Categories**

**Active**
Must be a member in good standing of the American Urological Association. Must have acceptably completed an accredited urologic training program or its equivalent in a foreign country. Active members have voting privileges.

**Affiliate**
Must be a physician in a related field of medicine and science who cannot qualify for active membership or a non-physician who, by professional or personal accomplishments, has contributed significantly to medicine in general or the specialty of urology in general. Affiliate members may not vote.

**Resident**
Must have graduated from an acceptable medical school with receipt of Doctor of Medicine degree or an equivalent degree. Must be enrolled in a resident program credentialed by the Accreditation Council for Graduate Medical Education (ACGME) or such similar body in a foreign country. Resident members may not vote.

If you have questions about applying for membership, the member benefits or the categories of membership, please contact SWIU at (847) 517-7225 or email us at info@swiu.org. For more information, please visit our website: www.swiu.org.
