Dear Dr. Mehta,

Thank you to the Society of Women in Urology for supporting Planned Parenthood Arizona (PPAZ). We happily and gratefully received SWIU's gift of \$10,000.00 on 03/07/2023. PPAZ is one of the leading health care providers, reproductive rights advocates, and sexual health educators throughout our state. Your gift will aid us in our fight to create equitable, safe, and healthy communities. We could not accomplish this important work without support from donors like you.

PPAZ is firm in our belief that all Arizonans deserve access to high quality sexual and reproductive health care and medically accurate sexual education. Far too often we face attacks that would limit our ability to provide that access, leaving vulnerable Arizona's most under-resourced populations. Now more than ever, your gift is essential in helping us to provide quality reproductive and sexual health care to tens of thousands of people in need, each and every year.

Should you have any questions about your gift or Planned Parenthood in general, please don't hesitate to contact me or Darcy Hill, our Chief Development Officer, at (602) 562-5044 or [darcy.hill@ppaz.org](mailto:darcy.hill@ppaz.org).

Together, we will continue building a world where all people have access to care, no matter what.

Sincerely,

Brittany Fonteno
